Experience

Freelance - 2012-Present

Production Artist, Book Creation, Podcaster

- **Production Artist:** layout of corporate medical insurance PDFs, and subsequent changes requested.
- **Book Layout:** created 300+ page books from front to back. Released in both print and digital.
- **Podcasting:** created and record a podcast since January of 2006. Includes all social media, advertising, and artwork.

M-Audio /Avid - 2004-2012 (digital recording equipment)

Graphic Designer II

- Use of InDesign to create product manuals and quick start guides; use of Illustrator and Photoshop to create illustrations and charts. All layout was done in seven languages for both print and web PDFs.
- Resized advertising to various magazine specs (InDesign/Illustrator).
